Snippets

We email a regular newsletter to our members. Treaty workers can also request it. Previous issues of Snippets are available on our website.

Networking

This involves local, regional and nationwide organisations in all three sectors – government, commercial, and the Third Sector. We enjoy a collegial relationship with Treaty workers throughout the country and maintain connections with the Adult Community Education sector and Third Sector Organisations.

Future-oriented approach

We are committed to intergenerational equity in a values driven, hapū connected Treaty-based multicultural future. In support of the restoration of Tino Rangatiratanga by tangata whenua, we take responsibility for building honourable Kāwanatanga where Māori succeed as Māori, Pacific peoples thrive, and relationships, lived experience and diversity guide our mahi – for us and our children after us.
